

Mats

Ultra Flow™ Mats

Best performing, all purpose flow-through mat for wet environments

Milliken™

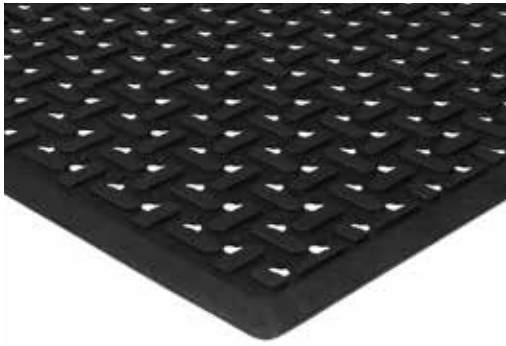

Versatility for wet applications

The UltraFlow mat was developed to provide premium performance in kitchens, bars, freezers, food processing areas, gym lockers – anywhere you need a mat to provide stability and support while also allowing for liquids to drain away from the surface and permit air circulation for quicker drying. The mat is produced using a patented nitrile rubber construction that incorporates a unique flow through design.

- Cushioned construction helps reduce foot, ankle, leg and back fatigue in areas where employees or visitors stand for long periods of time
- Durable textured surface helps prevent slipping; molded studded pattern promotes air circulation
- Patented rubber formulation provides oil and solvent resistance, while providing anti-microbial properties
- Slim profile and beveled edge construction meets all ADA guidelines
- Easy to clean with a pressure hose, but durable enough to be washed in industrial laundry systems

Product information	Ultra Flow Mats			
Yarn type	N/A			
Yarn construction	N/A			
Textile dyeing technology	N/A			
Textile weight	N/A			
Total thickness	.31" (7.9mm)			
Total weight by size:	US	Weight: (+/- 1lbs)	Outside US	Weight: (+/- 2 kgs)
	2' x 3'	6 lbs	60.9 cm x 91.4 cm	2.7 kgs
	3' x 5'	14.5 lbs	91.4 cm x 152.4 cm	6.6 kgs
Total mat dimensions:	US	Size: (+/- 2")	Outside US	Size: (+/- 5 cm)
	2' x 3'	23.5"x33.5"	60.9 cm x 91.4 cm	59.69 cm x 85.09 cm
	3' x 5'	36"x60"	91.4 cm x 152.4 cm	85.09 cm x 139.7 cm
Antistatic	Yes			
Energized	No			
Fire rating: UL94 HBF	DOC FF1-70/DOC FF2-70			

All specifications are according to ISO 9001 Quality certification and ISO 14001 Environmental certification, and are subject to change to meet the ongoing improvements and innovation of our products.
